PET RELEASE

In case of emergency, the owner understands that Boyette Pet Resort will do whatever necessary for the well-being of the pet's health. If veterinarian services are required owner grants permission for treatment.

Boyette Pet Resort Grooming requires proof of current vaccinations:

Rabies DI-WPC Bordetella / for dogs

Rabies FVRCP-FELV / for cats

The health and safety of your pet is Boyette Pet Resorts main concern. A muzzle may be used, sedation if absolutely needed, or services refused or terminated so that your pets well-being is not jeopardized.
